

The Go Garner Visionary Investors Legacy Wall is a striking, permanent legacy wall installation that will honor those who believe in Garner's future—and are investing to shape it. This beautiful display will live in the Chamber's lobby, showcasing the names of individuals, businesses, organizations and in-honor-of individuals who make a one-time investment in this historic campaign.

We'll use the funds to expand the economic development reach of the Garner Chamber, engage and build the future leaders in the community and increase our regional marketing efforts to gain more investment and visibility for Garner.
